Summer Newsletter 2022

MEAT:STACK Parklet Lord Mayor Award Winner

The **MEAT:STACK Parklet** Big Market won the Lord Mayor's Design Award 2021, in the category of External Space Transformation. This is a unique award which recognises the adaptations to the public realm space during the pandemic.

Welcome Vicky!

We would like to welcome Vicky to the SG family!

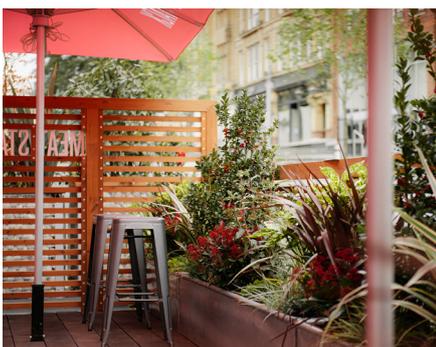

Vicky is currently studying her first year of a Master of Landscape Architecture (MLA) course, and has joined us as a Year Out Landscape Architect. Vicky already has a Physical Geography degree - [click here](#) if you want to find out more about Vicky.

Chelsea Flower Show

Scott took a little trip to the RHS Chelsea Flower Show to get inspired by the different planting textures, materials and use of colour. There were some amazing schemes with themes related to rewilding and mental health, which are important considerations in the work we do.

Big Market - it's a wrap

Following on from the Lord Mayors Award celebrations above, we were invited to the Big Market Wrap Party. The evening was also an opportunity to say farewell to Project Manager Alex Slack, who we worked closely with for several years. Read more about the night [here](#).

Spoilt for choice!

We have many star bakers in the SG office! Check out our [Instagram](#) for all the fantastic bakes and treats we have every fortnight. Below are mint choc chip muffins made by Ethan.

Seaton Delaval Hall - Regional RICS Award

Seaton Delaval Hall has recently won the North East Regional RICS Award in the Heritage Project Category. As a team we are thrilled, as this was one of National Trust's flagship projects. Click [here](#) to find out more detail, and check out our [Instagram](#) posts to find out more about Southern Green's commitment and dedication to the Hall – which includes staff volunteering days.

Fantastic Feedback

We have received more fantastic feedback since our last newsletter. We regularly seek feedback as part of our commitment to our quality standards and client aftercare, and we are honoured to be able to share this on behalf of the whole team at Southern Green.

Lots of Volunteering...

Southern Green has had a busy season delivering projects, but the team prioritised finding some time to volunteer at [Living Woods North East](#), Whitehills site, Gateshead to plant community trees. In addition, we have delivered two sessions of volunteering at [Seaton Delaval Hall](#), laying out new plants and carrying out essential maintenance work.

We really do value staff development, and opportunities for fun engaging experiences are always promoted – click [here](#) to find out more!

If you would like to know more about our stories - please [visit our website](#) or [give us a call](#).
