Seaton Delaval Hall Wins RICS National Award

Seaton Delaval Hall has now bagged the RICS National Awards for best Heritage Project, after winning the Regional Award earlier this year. Huge congratulations to Mosedale Gillatt, Historic Property Restoration, National Trust and everyone else in the team. Southern Green are proud to have been a part of this amazing and unusual local historic scheme. Find out more [here](#).

Welcome Erick!

We are thrilled to welcome Erick to the SG family!

Originally from Mexico City, Erick relocated to the UK in 2019. Erick has a background in Architecture, but also previously had a career in the sporting world and played tennis at a professional level.

If you want to find out more about Erick – [click here](#).

London CPD Trip

We actively encourage staff to get 'hands on' wherever possible. This not only includes visiting our own project sites, but also visiting projects designed and implemented by others. This summer, we visited different schemes around London, including the Superbloom which was quite a spectacle!

Back to Uni

Southern Green have been continuing the support of Newcastle University's new MLA Landscape Architecture course. Last year, we became visiting lecturers to support the course's modules. This semester, we will continue to support the University in delivering the 'Landscape Sciences, Planting Design and Greenspace Management' module. [Click here](#) to find out what we got up to at the Uni!

Toby!

We are never short of a furry friend. [Click here](#) to melt your heart away!

Blackhill & Consett Park - Biodiversity Improvements

Back in [September 2021](#) Southern Green were commissioned by the Friends of Blackhill and Consett to help improve the biodiversity of the Park. Since then, along with Durham County Council, and Clean and Green, we have seeded wildflowers, which have been thriving. To view the wildflower photos - [click here](#).

Halloween

Halloween or All Hallows Eve is a celebration observed in many countries on 31st October, the day before All Saints Day, and is a time for remembering those that have departed. Popular Halloween activities include trick-or-treating, dressing up in fancy dress costumes, carving pumpkins, lighting bonfires and also apple bobbing. Our team have been up to all sorts to celebrate. [Click here](#) to find out more...

All about 'shrooms!

Did you know that Autumn time is absolutely perfect for foraging mushrooms. Ros Southern is known to have a regular rummage around for magnificent mushrooms with her family up at Forestry England's Slaley Forest, taking them home to cook up all sorts of fantastic feasts.

As well as the display of unique colours and different sizes, we've uncovered many intriguing facts about mushrooms - [click here](#) for our top six facts!

If you would like to know more about our stories - please [visit our website](#) or [give us a call](#).
