LI Awards Shortlisting: Harringworth Park Wildlands

We are delighted to announce that [Harringworth Park Wildlands](#) has been shortlisted in the Landscape Institute Awards 2023 Biodiversity, Conservation and Enhancement category!

The awards ceremony will take place on Friday 3rd November. We're keeping our fingers crossed - stay tuned for more updates!

Bigg Market CENE Awards 2023

On the topic of awards, Southern Green are thrilled that The [Bigg Market](#) has won the [Construction Excellence North East Awards 2023](#), in the Conservation and Regeneration category.

The National Final is due to take place on 23rd November in London.

Belsay is Awake!

The new natural [Play Area](#) has opened at Belsay, which is part of the wider [Belsay Awakes project](#). Our contribution focused on the development of the new Play Area and broader external enhancements. The Play Area is nestled in the woodland behind the Castle complex.

Everyturn Care Homes

October marks the month of Mental Health Awareness. Over the course of the last 11 months, our team have been working alongside our client Everyturn, to reimagine a series of landscape spaces associated with three care homes in Gateshead. Find out more by clicking [here](#).

RSPB Haweswater Trek

Director Ros Southern took some time out recently on a pack pony wild-camping trek, to experience the amazing re-wilding project at RSPB Haweswater in the western Lake District. Check out our blog [here](#).

Benwell Planning Approval

Placefirst's 146 home neighbourhood in Benwell, Newcastle was unanimously approved at planning committee!

Southern Green have been working with a fantastic team including JM Architects, Identity Consult and Curtins, developing the landscape proposals for this new residential site. Read more [here](#).

SG Social

We love an after work [SG social](#), and we celebrated David and Vicky graduating university this Summer. Both are now working full time at Southern Green.

We pride ourselves on being a supportive, inclusive team, and our senior team are always keen to nurture the next generation of Landscape Architects.

Tree Tagging in Holland

Meanwhile in Holland, Liam recently visited EBBEN Trees, to [tag a selection of specimens](#) for our ongoing public realm project - [Queens Gardens](#) at Hull.

The impressive nursery contains a variety of tree species, even boasting its own roof terrace!

We can't wait to share the amazing selection of trees chosen for [Queens Gardens](#), and implement them on site.

If you would like to know more about our stories - please [visit our website](#) or [give us a call](#).
